

30 STUDIES TEACHERS NEED TO KNOW

USING RESEARCH IN THE CLASSROOM

- Understand the latest, most important and most influential research
- Explore psychological studies on learning, memory and mindset
- Practical classroom applications that lead to better grades

Bradley Busch is a HCPC registered Psychologist. With extensive experience working in schools, he is a leading expert at helping students develop their mindset. Outside of education, Bradley has also helped members of Team GB win medals at London 2012 and Rio 2016.

Explore the latest research on

- Mindset and resilience
- Memory and learning
- Self regulation and metacognition
- Teacher behaviour and attitudes
- Fear of failure and perfectionism

COURSE DATES & LOCATIONS

3rd July 2018 London

"It was a really great day and so helpful. Thanks so much for running it. The next day's assembly went very well thanks to Bradley's ideas!"

EM - Head of Year

"I really enjoyed the workshop; it was very informative and I've already used some of the ideas from it."

JM - Teacher

"We have had such fantastic feedback from the staff who came to hear you speak last week."

MB - CPD Coordinator

"I enjoyed the sessions a lot and I will definitely implement some of the strategies in my role as head of sixth form."

MD - Head of Sixth Form
