

OVERVIEW

Whilst they have no trouble teaching a class, many teachers find public speaking challenging. This workshop runs through the techniques and strategies that make for confident and impactful public speakers.

We give tips and techniques gleaned from the best public speakers and then illustrate and develop them with discussion, videos and practical exercises.

This workshop is enjoyable and useful and has had rave reviews from our clients.

KEY MESSAGES

Before the event

- How to structure and prepare your content
- How to build an impactful slide deck
- What good preparation looks like

During the event

- How to build and speak with confidence
