

OVERVIEW

Our teamwork & problem solving CPD workshop does what it says on the tin. This workshop explores the importance of listening carefully, knowing how to persuade others, communicating clearly and group coordination.

The sessions are based on a series of practical group problems to solve. This allows participants to explore what good teamwork looks like, thus improving problem solving in groups.

KEY MESSAGES

Communication

- The effectiveness of face to face communication
- The role of feedback
- The importance of tone and body language

What is good teamwork?

- The power of teams
- Leadership and "followership"
